REPORT AND ACCOUNTS FOR THE YEAR ENDED  
31st DECEMBER, 1938.

---

ADOPTED BY THE GENERAL COMMITTEE, AT A  
MEETING HELD ON THURSDAY, THE 23rd MARCH,  
1939, FOR PRESENTATION TO THE 40th ANNUAL  
GENERAL MEETING OF SUBSCRIBERS AND FRIENDS  
OF THE HOSPITAL.

---

## I. General Activities.

The Committee is gratified to report a further increase in the medical and surgical services rendered to the sick of the district.

The number of admissions during the year (236) was somewhat less than those of the peak years of 1935 and 1936 (259 and 253 respectively). The average number of beds occupied per day and the number of Patient days increased. The average stay of each Patient was also longer, thus indicating that more work was actually carried out.

The increased activities are also reflected in the figures for the Out-Patient and for Operations and X-ray work.

The record of Patients is:—

The close attention of every reader is especially invited to the Statistical Table set out on page 15 and the details of the Comparative Table on page 11 which gives figures never previously recorded.

The Committee has to report the following changes during the year in the:—

(a) **Personnel of the Honorary Medical Staff.**

Two Doctors have resigned—Dr. Caverhill on account of removal and Dr. Spain upon relinquishing his practice. Mr. J. S. Lewis, M.R.C.S., L.R.C.P., has been appointed Honorary Anæsthetist, and Miss Helena B. King, M.B., B.S., and Mr. Myles Lask, M.B., Ch.B. (Dr. Spain's successor), have been appointed to the Honorary Medical Staff. To these newly appointed Doctors the Committee has extended a very hearty welcome.

(b) **General Committee.**

By the resignation of the chairman, Mr. J. R. Workman who has presided over the Committee for six years. Mr. Workman remains a Trustee but the Committee feels that the Hospital lost the services of a loyal and sincere friend when he gave up active participation in the work. The Committee wishes to thank Mr. Workman very sincerely for all he has done for the Hospital. Mr. Robert Pears was elected to succeed Mr. Workman. Miss Trickey resigned on removal from the district, and Mrs. E. E. Spicer and Mrs. M. E. Watson were appointed. Miss P. Hutchings was elected an Honorary Member of the Committee.

(c) **Staff.**

By the resignation of Matron, Miss F. E. Plummer, on the occasion of her marriage. Miss Plummer joined the staff on 1st May, 1934, and

she soon settled down happily at the Hospital. She has served the Committee loyally and well and will be greatly missed by her many friends.

In wishing her all happiness in the future, the Committee places on record its regret at the loss of her services, and its very sincere appreciation of the able and efficient manner in which she has carried out her duties.

Miss E. R. Dunster, lately Matron of the War Memorial Hospital, Beccles, Suffolk, was appointed to the vacancy, and took up her duties on the 16th March, 1939. To her the Committee extends a hearty welcome, and looks forward to a continuance, under her guidance, of the usefulness and efficiency of the Hospital.

The Committee wishes to record with appreciation the fact that, although removed from the district, the Reverend W. M. Farquhar, M.A. (late Rector of Hanwell), has notified his willingness to remain a Trustee of the Hospital, thus continuing in an office which he has held since 1910, and maintaining an unbroken connection with the Hospital from its inauguration.

The Visitors appointed by the King Edward's Hospital Fund for London paid their annual visit to the Hospital in July, and expressed satisfaction with the arrangements.

It is gratifying that the Committee is able to record that it continues to receive letters from Patients and their friends expressing appreciation of the treatment accorded in the Hospital.

The usual collections of "Gifts in Kind" were made during the year: Egg Week in May and Pound Day on the 27th September; the former resulting in many eggs, and the latter in 3,000 pounds of goods and £17 in cash. It is most pleasing that the Committee is able to report such handsome gifts, which once more came mainly from the schools. To all who contributed, to Messrs. P. H. Arnold, D. C. Davis and L. N. Wiles who provided transport, and to Mr. C. P. Savage who loaned a marquee, the Committee expresses very sincere thanks.

The Committee appreciates that the children's gifts are naturally provided by their parents, but it would like to have received more gifts from the Subscribers and their friends. It is therefore earnestly asked that all who wish well to the Hospital will in future give these two efforts their personal

and direct support, thus still further helping to reduce the ordinary housekeeping costs of the Hospital.

The House Committee has closely in mind the question of Air Raid Precautions and Mr. J. W. E. Brown has undertaken the supervision of this work. Additional fire appliances have already been ordered and it will be observed from the Balance Sheet that certain stocks have been purchased; these are held in reserve for use only in the event of a National Emergency.

The equipment of the Hospital linen has continued to be the care of the Ladies' Linen League, under the Presidency of Mrs. David Levi, with Mrs. M. N. Nash, Chairman, and Mrs. E. E. Spicer, Honorary Secretary and Treasurer. Very useful quantities of new linen have been given, whilst the existing stock has been rendered fit for further service by the very careful attention of the Ladies who have attended each month to carry out the necessary overhaul and repair. Very sincere appreciation is expressed to the Officers and Members of the League for their generous help in this work. The Balance Sheet of the League is given on page 22.

For a considerable time, the Committee, partly at the instance of King Edward's Hospital Fund, has been very anxiously studying the kitchen arrangements and the Staff quarters of the Hospital, which are now quite inadequate for present needs. It has been decided that alterations must be carried out in order to bring this part of the Institution up to date.

Plans have been prepared, and approved in principle by King Edward's Hospital Fund, for the provision of an entirely new kitchen and some additional Staff quarters, including improved Dining and Sitting-rooms for the staff. This will relieve some rooms in the present building, and it will accordingly be possible for the Committee to provide for two additional Private Patients. The Committee feels that this additional accommodation will be of considerable service, and confidently looks forward to generous assistance from the Subscribers, their friends, and all the residents of Hanwell in providing the necessary funds for the work which the Committee is advised should be carried out with the least possible delay.

At the same time plans have been approved for the addition of eight beds to the Public Wards and it is earnestly hoped that this further extension will materialise in the near future.

At the last Annual General Meeting, the Subscribers decided to amend the Rules and Regulations, to enable box holders who had contributed not less than 10/6 per annum for the three preceding years to be entitled to election to the General Committee on the same basis as Annual Subscribers.

## II. FINANCE.

The Honorary Treasurer is glad to be in a position to record that the adverse balance of £278 last year has this year given place to a balance on the right side of £369. Receipts have increased, in some cases very substantially, under almost every head. The main increases have been; from Donations (£166), from Patients' Payments (£100) and from the Hospital Saturday Fund and Hospital Saving Association (£76 and £113, respectively). The total amount on account of services rendered to patients exceeds by over £200 the previous highest figure and thus constitutes a record.

The increase under Donations includes £115 from the Carnival Committee, for which the Hospital Committee is grateful. Flag Day this year produced £45, an increase of about £10 over last year's figure. 48,390 Daily Mirror Tokens realised a welcome £20—£14 more than last year, while the contributions of "Bun Pence" increased by nearly £4. A further pleasing feature is that the number of individual donations has gone up by 36%. It is hoped that this satisfactory trend may be maintained.

Boxes, too, at £156, are up by £19, an increase almost entirely (£18) accruing from Greenford. This is very pleasing and hearty thanks are again due to Mr. E. W. Holland who has continued to devote himself unsparingly to the interests of the Hospital in this important part of the Borough. Pioneer work of this kind is difficult and often discouraging and demands both initiative and perseverance leavened with a spirit of optimism. All these qualities Mr. Holland has brought to bear on his work and the Committee is very grateful to him. It is less satisfactory to record that the Hanwell boxes remain at about last year's figure, though the magnificent (and record) amount (£51) collected by the King's Arms again shows what enthusiasm can do. The Committee congratulates Captain and Mrs. Bennett on their great achievement and most cordially thanks them for their splendid efforts on behalf of the hospital.

It is difficult to refer to "subscriptions" without a feeling of disappointment bordering on despair. The slight increase under this head is a welcome change from the dead level of the past few years and is due mainly to the fact that some ten subscribers have doubled their contributions while eight others have reappeared on the list. New subscribers (14) can be set off against those (13) who have dropped out though the former have proved rather more remunerative than the latter. It is a disheartening fact that the annual appeal which is made in this report for more subscribers meets with so little response. If all those who are sufficiently interested in the welfare of the hospital to support it themselves would persuade at least one of their friends to do likewise, the subscription list would speedily put on a different complexion. Surely, in this large and ever expanding district, there must be more than 145 people who could easily spare the few halfpence a week that an annual subscription of half-a-guinea represents.

Before leaving the subject of Income, reference must be made to the additional gifts that have been earmarked by the donors for the new kitchen, etc., and which have been placed to an Extension Fund account, details of which are given on page 23. In addition to the £100 provided by the Ladies' Linen League and acknowledged in the last Report, a sum of £88 was handed over by Matron as the result of her Bazaar. Sincere thanks are due to her for this expression of her devotion to the interests of the hospital and of her staff. In August last a bequest of £50 was received from Lloyds Bank, Ltd., the Executors of the late Mr. J. H. Stephens and this the Committee decided to place to the Extension Fund account.

Expenditure this year has been lower than last year by £220. Apart from a slight increase in Salaries and Wages and a negligible one on Provisions, a reduction is shown under all the other headings. Renewals and Repairs were down by £138 (there was a heavy outlay under this head last year), Surgery and Dispensary by £34, Domestic by £50 (again largely under Renewals and Repairs, though Fuel and Light also show a welcome decrease) and Miscellaneous by £11.

It will be noted from the Statistical Table that the average cost of each In-Patient per week and the average total cost of each In-Patient show welcome reductions.

While the above figures are satisfactory so far as they go, it must be emphasised that even greater efforts by all concerned will be necessary in future if the hospital is to remain in a sound financial position. The Committee has the extension in view and when this is accomplished a much larger regular income will be needed.

An earnest appeal is once again made to all subscribers to enrol their friends and to all friends of the hospital to take boxes. Active helpers are also urgently needed—ladies to assist on Flag Day and ladies or gentlemen who would be willing to devote some of their spare time to house-to-house appeals, the selling of tickets and so on. It is hoped to form a panel of those willing to give their services in various ways and the Hon. Treasurer will be very glad to receive the names of any friends who would care to take part in this important and beneficent work.

### III. THANKS.

The Committee cannot close this report without placing on record its very grateful appreciation of the work carried out by:—

The Honorary Consulting and Medical Staff who have continued to devote a very great amount of time and professional skill for the benefit of the patients.

All the Subscribers (whose names are recorded on Pp. 16) for their continued and regular support.

The Carnival Committee for its efforts which have resulted in a very handsome donation to the funds.

The Box collectors (listed on Pp. 19 and 20) for the very handsome result attained by these collections. The amount of £156 has only once before (1936) been exceeded. In this connection, the Committee registers its thanks to Mr. J. W. E. Brown and Mr. E. W. Holland for the very great assistance which they have given in gathering the Box collections.

All those (listed on Pp. 17 and 20) who have kindly assisted with cash donations and gifts in kind.

Matron and the nursing staff, for their kindly and sympathetic attention to their respective duties.

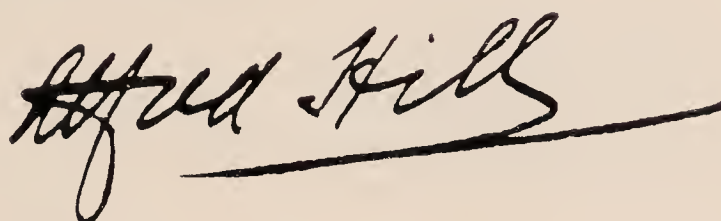

The domestic and garden staff, for the support given.

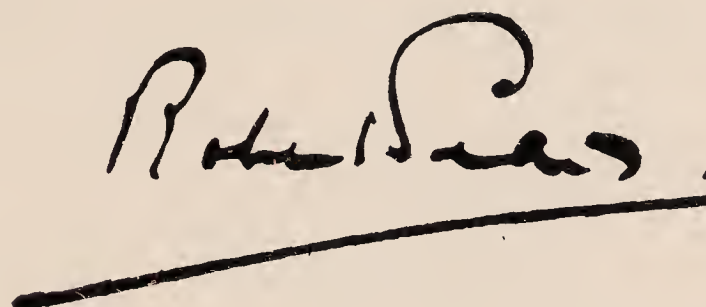

The Honorary Architects, Honorary Solicitor and Honorary Auditors, who have always been ready to give their professional advice when required.

The local Press, for publication of reports, appeals, etc.

The Executive Officers.

# **“ VICTORIAN PENCE ”**

Do not spend the “ Bun ” and “ Diamond Jubilee ” Pennies which reach your hands—

*PLEASE SEND THEM to the HOSPITAL FOR the special COLLECTION which is being made*

**During 1938, £5.14.5 was received from  
“ Bun ” Pence.**

**Let 1939 treble this amount.**

# URGENT APPEAL

The assured annual income of the Hospital from Subscriptions has averaged over the past five years only £203 per annum. This totally inadequate amount, which is unworthy of this large and growing district, could very easily be doubled or trebled if all Subscribers and other friends of the Hospital would make a determined effort to that end.

## WILL YOU HELP?

**REMEMBER** A yearly subscription of half-a-guinea represents a mere  $2\frac{1}{2}$ d a week—a donation well within the means of all but the very poor.

Having realized this DO PLEASE get busy among your friends—they could not refuse these few coppers weekly in this great cause.

Here is a summary of the ways in which you and your friends can help :

**A. *By becoming a Subscriber.***

If desired a subscription-box could be taken, in which amounts could be put weekly or monthly.

**B. *By becoming a Box-holder.***

Boxes could be passed round the family each Sunday, when friends are present and on other special occasions.

**C. *By making gifts in kind*, especially during Egg Week and on Pound Day.**

**D. *By selling Flags* on Flag Day, May 13th.**

**E. *By enrolling* on the Panel of permanent Ticket Sellers for Whist Drives, Concerts, Plays, etc.**

**F. *By becoming a house-to-house Collector.***

If you are willing to offer your services under one or more of these heads, please notify the Honorary Secretary at the Hospital, marking your envelope 'Appeals'.
